ATTENTION

- As of Monday, January 11th -
you will *temporarily*
be unable to access your online patient reports
using the current Patient Reports Link
found on our website.

- You will continue to receive your reports via fax and/or courier, with no interruption, until the new system is installed.
- You must schedule an appointment for the new system to be installed on your office computer.

We brought you improved Online Images.
It's time to improve the Online Reports.
